

## **SOCIAL COMMITTEE REPORT 2019**

The original Social Committee is now very small in numbers due mainly to members getting older, although we are very well supported by them contributing to Raffle Prizes and selling tickets. During the year we were able to donate £2000-00 to the refurbishment of the Broadhead Room, and we also held a Christmas Raffle which raised £435-00. The Refreshments served after the morning service are still very much appreciated, this is also organised by our members
