

St Anne's Ladies Group –April 2022

The Ladies Group has not met since 20 November 2019 as, unfortunately, our Annual General Meeting, due to take place on 18 March 2020, was an early victim of the 'Corona Virus lockdown'.

As our AGM couldn't take place it was not possible to place on record the appreciation and thanks of members to Mrs. Vi Windsor, a long-standing member and our Chairman since 2011, who reluctantly has had to retire due to long-standing health reasons.

Since the Ladies Group last met Mrs. Ann Southern, another long-standing, active member has also had to retire due to ill health.

We send our love and best wishes for the future to Vi and Ann, together with our gratitude for the efforts they have made for the Group over many years.

It is planned that the Ladies Group will meet together very soon.

Margaret Warburton
