

St Anne's Turton – Safeguarding Report for APCM – May 8th 2022

The Parish has continued to struggle to appoint a Safeguarding Officer despite making a number of requests.

The PCC agreed that the Revd Hannah Lane should take on, temporarily, the role of managing the DBS applications and also the monitoring of Safeguarding Training for PCC members in the first instance.

The Team Rector and Curate as well as Revd Michael Arundel and Revd Marcus Bulcock completed the necessary diocesan Safeguarding Training this spring.

It remains a priority to appoint a Safeguarding Officer for the Parish, someone who will manage the processes around training and DBS applications, be our Safeguarding Lead and manage any allegations.

Revd Peter Reiss

Incumbent and Team Rector
